

# RAISE THEM UP!

WEEK 3 • APRIL 25

# GET A VISION

JOHN & KAY FULLER

## INTRODUCTION

In this third and final week of our *Raise Them Up!* parenting series, Pastor John and wife Kay Fuller guide us through crafting a family mission statement, which can help us stay focused on what's most important while we're in the middle of 24/7 parenting.

## DISCUSSION

1. **Read Colossians 3:1-3.** In what ways can a mission statement help us “keep our eye on the prize”?
2. Parenting can be overwhelming, but it's a critical season of planting. **Read Galatians 6:7-9.** How does this encourage us to work hard now for a future harvest?
3. Is there anything currently deterring you from praying for your children? How can you use your mission statement as a simple template for praying effectively?
4. In what ways do you feel overwhelmed with choices for your family? Do you currently have a filter for saying yes or no?

## ACTION STEPS

1. Use the packet you received at PLC to write your own family mission statement, and post it in a spot everyone will see each day. Set future dates to review it as a family.
2. Every day this week, pray through your new mission statement for your family.
3. This week, practice using the mission statement as a filter for upcoming decisions or choices.

## RESOURCES

RightNow Media has many biblical parenting studies to help you in this critical season of life.
