

GIVE, SAVE, SPEND DIY JARS

Having money isn't bad, but serving money before God is. Choose to serve God with your money by giving to Him first. Then you can choose how to save and how to spend the rest!

Every week in Wee Kids and Kidventure, we invite children to be generous, and now we want to help you do that at home!

Step 1: Find three jars, cans, or containers.

Step 2: Put one label on each container and decorate however you want.

Step 3: Talk about why we give generously (Proverbs 3:9, 2 Corinthians 9:7).

Step 4: Talk about how much you plan to put in each jar when you receive money.

Step 5: Bring what's collected in the "Give" container to Wee Kids or Kidventure, or [give online](#) [Missions > Family Ministry] and be generous!
