

NEXT STEPS

THIS WEEKEND

More than four centuries before Jesus, God charged a man named Nehemiah with the task of rebuilding the walls of Jerusalem destroyed by the Babylonians nearly a century earlier. Nehemiah could have taken the easy route and remained in his comfort zone but instead took a bold step of obedience and led a team of Israelites to accomplish the impossible. During this seven-week series, we'll learn how God's call to Nehemiah reflects our mission to launch No Matter churches across Iowa and encourages us to accomplish our goal!

SERVE PURPOSEFULLY

One of the best ways to meet people, develop relationships and grow as a No Matter follower of Jesus is to serve the local church.

CONNECT RELATIONALLY

We are designed for relationships. When you connect relationally, you develop genuine, authentic friendships because you have people you can depend on and who can depend on you.

GIVE GENEROUSLY

Money is the number one competitor for our hearts and often our biggest source of stress. When you give generously, your heart and priorities change because you place your security and trust first in God.

If you've stepped over the Faith Line and are a follower of Christ, baptism is the next step in your spiritual journey.
