## New Believer

### Introduction

In our second week of our *Moved* series, Pastor John talks about another part of the discipleship path—when you become a new believer or, as we say, stepped over the Faith Line. He reminds us that, as new believers, we have a new identity, a new family, and become a new person.

### Discussion

1. What does it mean to be a new believer in Christ? If you have stepped over the Faith Line, share your experience with your group. How has life changed for you after taking that step?
2. **Read Luke 15** out loud. Which verses stick out to you? Why?
3. In the parables from Luke 15, what common theme do you see? How does that relate to becoming a new believer?
4. How would you explain stepping over the Faith Line to a spiritually curious friend? Are there certain verses you could use to help explain this part of the discipleship path (e.g. Romans 10:9-10; John 3:16, Philippians 2:6-11)?

### Take Action

1. Pray for people in your circle who are spiritually curious. If God prompts you, approach them and set up a time where you can talk to them about your faith.
2. Look back on your faith journey. Where are you now on the discipleship path? Write out a journal entry or prayer for you to look back on a few months from now.
3. Read through some of the Scriptures listed in the questions above. How can you use them to help someone step over the Faith Line?
